

Dear Fellow Members, I am sending you the following information concerning the forthcoming convention.

### WASHINGTON MASSAGE NEWS

MAY ISSUE 1959

This month we are carrying an announcement of the retirement from business of one of our members, and bringing to the attention of our membership that there is for sale a very good spot for business. This particular area is one that for years has been good for massage. The people in that vicinity seem to have been educated to the value of massage and use it frequently. Bring this to the attention of any of your friends who are looking for a location should you not be interested yourself.

There will be, I am informed, another business of this kind in the near future for sale. I will be glad to bring this to your attention when it is ready. We of this paper are glad to do this as a service to our membership. We are making no charge for this kind of announcements or ads.

We would like to remind any of you who are planning to attend the national convention to make your reservations early. This should be a good convention. It is the first one since the one in Spokane to be held on the coast for some years. I hope Washington will be well represented.

Arthur Dunbar

The world is a looking-glass, and gives back to every man the reflection of his own face. Frown at it, and it in turn will look sourly upon you; laugh at it and with it, and it is a jolly, kind companion. -- Thackeray.
